

Parent Questionnaire

The Post-10 Program

Hello prospective parent! It is very helpful for us to learn about our applicants through their parents' eyes. Your answers to these questions will help us to better understand your child's social and educational needs. Please attach additional pages if necessary. This questionnaire can be filled out jointly by both parents/ guardians, or separately; the choice is entirely yours.

Student / Applicant Name (in BLOCK LETTERS)							
Parent / Guardian Name(s) (in BLOCK LETTERS)							
Please answer each of the following questions. The answer to each question should be no more than 150 - 200 words. Please write your answers directly on this sheet. If you need more space, you can attach an additional sheet to this form.							
1. Please discuss your primary reason for considering the IHS Post-10 Program for your child. What do you hope your child will gain in a 3 year program here, as opposed to regular 2 year program elsewhere? What are your expectations for your child's schooling experience?							

2. From what activities does your child derive self-confidence?

3.	What are your child's strengths and weaknesses? (Please comment on social characteristics: e.g., self-reliance, sense of humor, ability to mix, shyness, assertiveness, etc.)
4.	What are your thoughts about your child's future educational and/or professional aspirations? Have you and your child charted out a particular trajectory or course? Is there a particular course that you would like your child to pursue? If so, why?
5.	Discuss any particular concerns of which the school should be aware: e.g., Has your child experienced any difficult challenges or personal setbacks in recent years? Are there any medical conditions of which we should be aware? Does your child's health limit or interfere with the normal performance of everyday activities, including class work, athletics, or other duties?

6. Please make any additional comments about your child which you feel may be helpful to us.
